

TORRE DEL MARQUÉS

*A Secret Destination*

## **Mandatory regulations for pet accommodation**

- Supplement: 50€/night and dog. Includes accommodation and welcome kit.
- Dogs of any weight and breed will be accepted.
- Dogs will be accommodated in a module independent of the hotel, in individual spaces. These spaces have a feeder, drinking fountain, bed and video surveillance system, which will allow you to visualize your dog at all times.
- The pet's food will not be provided by the hotel, so you must bring it with you.
- The pet is not allowed in the following areas of the hotel:
  - Main building of the hotel (restaurant, spa, rooms...).
  - Pool area and outdoor bar.
  - Outdoor garden areas.
- Upon arrival at the hotel, we will provide you with the key to the space assigned to your dog, as well as a code with which you can access the surveillance monitor.
- For the entrance and exit of the hotel facilities, the dog must always be on a leash, and muzzle when necessary, and if the breed of the same requires it.
- In the event that your pet causes damage and material damage to the hotel premises, you will be responsible for them, and the corresponding amount will be charged to your invoice.
- You shall be responsible for and liable for any damage your pet may do to other guests or their pets.
- The Hotel reserves the right of admission to dogs that cause discomfort to other guests, disturb their rest or behave inappropriately during their stay.
- You must be responsible for cleaning / collecting any excrement that your dog may deposit. In addition, clean the urine with water, if it is deposited in any of the asphalted or tile areas.
